NHS PPE Portal: Built on eBay APIs

PPE Portal

Suche

The PPE Portal for Primary and Social Care provides protective equipment free of charge due to their critical nature

Please select the supply based on your practice's needs. We are continually reviewing the account limits

eBay is proud to support the NHS and England's Primary and Social Care Providers by powering the PPE Portal

Equip your practice with supply from the following categories

- Combined Packs [Show all](#)
- Face Masks [Show all](#)
- Eye Protection [Show all](#)
- Gloves [Show all](#)
- Hand Hygiene [Show all](#)
- Aprons [Show all](#)

“

Our new API has tremendous potential to revolutionize the way people do business on eBay and increase the amount of business transacted on the site.

By openly providing the tools that developers need to create applications based on eBay technology, we believe eBay will eventually be tightly woven into many existing sites as well as future e-commerce ventures.
